I understand that by storing my golf cart in the Great Hall, Pathfinder Village is not responsible for any damages that may occur during storage. If I do not have my golf cart out of the Great Hall by the date listed above, I understand that Pathfinder Village has the right to put my golf cart out in the Great Hall parking lot at that time and Pathfinder Village is not responsible for any damages that may occur while it is in the Great Hall parking lot. I further understand that at all times my golf cart is my responsibility, whether it is stored by Pathfinder or on my lot.

Please bring along something to put under it in case it leaks oil, battery acid, etc. If a cart is to be found leaking gasoline, it will be removed from the Great Hall until it has been repaired. All golf carts must be clearly marked with the proper Pathfinder Village license plate.
